Zones

Divide your interactive display into sections, to leverage its multi-user collaborative capabilities.

Cards

Play a friend and chase the highest card combination in this fun casino game.

FX

Create amazing visualisations at your fingertips, making interactive surfaces come alive in restaurants, nightclubs, hotels or other public areas.

Aliens

Defend your planet against rampaging alien forces.

Wong

Fun multi-user twist to the classic arcade game.

Zong

Zong is a fun twist on Wong with the addition of obstacles, zones and pickups, as well as a 3/4 player option.

Warp

Warp is a fun single and multi-player game, that is about dodging enemies and outplaying your opponents.

Labyrinth

Guide your disc from the start to the finish and compete for the best time.

Couronne

Play a classic game of Couronne with your friends. Sink all the discs of your colour.

Pool

Pool is the classic game almost everybody is familiar with.

There are three modes to play: **Snooker**, **8-ball** and **9-ball**, each with their own set of rules.

Bullseye

Bullseye is a shooting game. The player shoots at moving targets to score as many points as possible before the time runs out.

You can also play **Bullseye** against a friend/second player.

In this mode, you use a slingshot with a pebble instead of a bow and arrow.

Pinball

Pinball is any arcade gamers dream. Score as many points as possible. Hit the different targets with the ball using the two flippers in the bottom.

Pinball looks even more gorgeous in portrait mode, which can be activated in the Configurator.

Slots

Play with virtual money, spin the reels and try to win the jackpot.

Draw

Create, save, print & email your own drawings and fun artwork.

Deflector

Test your reaction skills by destroying the blocks, reaching higher levels and beating the high score.

Gravitoy

Draw objects and control and experience the effects of the gravity playground.

Runway

Land the planes on the correct runway.

Puzzle

Entertain your target audience with personalized and branded video and picture content.

Stacks

Build a stable tower as fast as possible to beat your opponent.

Untangle

This mind-bending puzzle game can be played solo or with friends.

Curling

Beat your friends by nudging their stones out of the way.

Bugs

Collect bugs of the same family as fast as possible to win.

Froggy

Catch as many flies as fast as possible to get the high score.

Memory

Play a classic game of Memory with your friends.

Pong

This classic table-tennis game relies on quick hands.

Airhockey

Fast-paced entertaining arcade game.

Tap

Test your reflexes by tapping the buttons as fast as you can.

Piano

Play and record your own compositions.

Drums

Rock the drum kit to create your own sounds.

Snowdoku

Solve the number puzzle as fast as you can.
